

## LCAA Airbag

We are still looking for another aeromodeller enthusiast to volunteer and join our club's Board of Directors. Are you ready to step up and join in the fun?

Elections are during our next club meeting. THIS COMING TUESDAY December 8th. EVERYONE needs to follow this [link](#) and join us so every vote can be counted. No mail in votes accepted...

(password is the same [LCAA2020](#) if needed)

**ALSO during this meeting our very own Mr. Coroplast, Paul Bernett will present a slide show on designing and building coroplast airplanes. Snacks will NOT be provided so bring your own.**

**Help us out on December 19th**

**This is the next FOBR work day and they are going to be clearing out the vines around a lot of our trees and clearing out debris. We would be great partners if we came out and helped. Come out early to help (9AM) and then stay to play the rest of the day, 12PM on.**

### **OTHER IMPORTANT NEWS**

Deer Hunting the following Friday's in December :

**12/4, 12/11, 12/18—CLOSED TOMORROW**

**The preserve is closed to everyone including us!**

**Stay safe, be safe and if you're going to crash make it memorable!**
