

## LCAA Airbag

***Hey Everyone.***

***It was a lot windy this weekend so not a lot of us fliers out there. Even still, I hope all of you fathers enjoyed Fathers-Day Sunday.***

***Quick reminder***

***Two events this coming Saturday 6/25/22:***

***Farm Club Float Fly***

The first of two 2022 FARM Charity Float Fly events scheduled for Saturday, 25 June at Lake Ritchie in Bealeton, Virginia. See attached flier.

***Summer in the Reeks Festival***

***Summer in the Reeks Pollinator Festival*** - A family-friendly celebration aimed at raising awareness about pollinators, protecting natural areas, and promoting Banshee Reeks  
***WHEN: Saturday, June 25<sup>th</sup> from 10am-2pm***

*LCAA will have a table setup for this event and the more members the merrier. We'll have some small planes and quads along with a laptop with RealFlight on it. If you have something you'd like to show to help promote our club to preserve visitors stop on by. Setup starts around 8:30 AM.*

*LASTLY—We are working on getting approval for a night flight in the preserve. Time to start looking at adding lights to your planes.*
