

LCAA AirBag

Banshee Reeks Nature Preserve is hosting their 4th annual “Summer in the Reeks” festival

It happens during National Pollinator Week; a time where we celebrate pollinators and spread the word about what we can do to protect them, with this year’s theme of “Bee the Difference.” **The festival is on Saturday, June 15th and runs from 10AM until 2PM.** There will be a number of exhibitors, live musicians, family activities, food trucks, and games on site.

In addition to encouraging everyone to come out to this event LCAA usually has a table with static displays of our Aircraft. We are provided with a table and chairs, situated under our 20’ x 40’ tent in the parking lot. The park encourages kid related items or activities at your table, as this will more likely draw in the parents to learn more about your organization’s mission and goals.

Let us know if you are willing to participate in this event with us.

Maiden Day Update

Although the weather was iffy all day it was a great day of flying.

In addition to picnic fair food we had events like Pylon racing, Bomb Drops, Taxi races and of course Combat. Both intentional and NOT. :)

Click [here](#) to check out some pictures on our website.

Up coming events to get you excited about:

- * **Memorial Day Picnic May 27th**
- * **Rotary Aircraft Picnic June 8th**
- ◆ **The 2019 FARM Float Fly Saturday, 22 June, rain or shine**
 - ◆ **Location: Scenic Lake Ritchie, 5177 Lake Ritchie Road, Bealeton VA 22712**
- ◆ **Hobby Hangar Demonstration Day and Open Flying Sunday, July 21, 2019**
 - ◆ **Location: Our field!! No excuses not to show up and have some fun.....**

We'll get more information up on our website for everyone since I know you don't want to miss any of these awesome events.

THE SERIOUS SECTION

Hey folks!! Don't forget:

Not only do we have a great website with LOTS of great information (and pictures). WE ALSO have a Facebook page

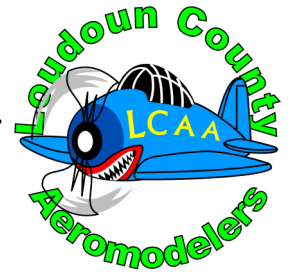

Let's remind folks of our website. Lots of good information on it. We also have an awesome [Facebook](#) page.

Remember the tractors/lawn mowers are only for mowing the main field and should only be used by **qualified mowers**. Talking about Mowing, Don needs to know who is able and willing to help mow this year. Email Don directly or let me know and I'll get your info to him. Generally, the mowing is done on Thursday or Friday so as not to interfere with the weekend flying whenever possible.

New members always welcome!! And our instructors can always use a hand especially during picnics. Hopefully we all speak positively about OUR club and hobby and always invite people out. During our picnics we usually have one or two of our Fenix trainers up and flying for training and introducing folks to the hobby.

Don't forget our For Sale section on the website. Check back often as you never know what will be listed.
