

**Hey Everyone.**

**Just a quick shout out**

**Join the Friends of Banshee Reeks Nature Preserve on Sunday, October 11th at 9:00 a.m. for their Annual Meeting.**

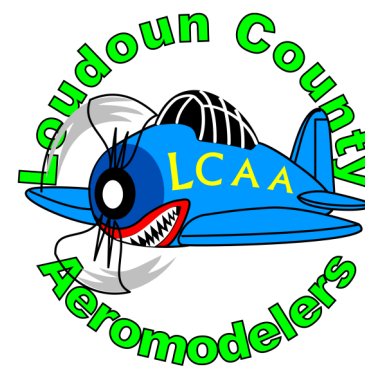

**It's a great way to hear what is going on at the preserve and may help us be good stewards as we enjoy our fly field.**

Immediately following the business meeting will be an informative presentation on being BearWise in Loudoun County by Jordan Green, Virginia Department of Wildlife Resources biologist and bear expert. Participants will learn about bear behavior, habitat preferences, and how humans and bears have adapted to coexisting in today's world. Mr. Green will also help answer any questions audience members may have about bear biology and living alongside bears.

The presentation will be conducted live via Zoom and is offered at no cost. Preceding the BearWise presentation, the Friends of Banshee Reeks will conduct a brief business meeting, including an update on Banshee Reeks Nature Preserve. All are invited and the BearWise presentation is appropriate for all ages. The event is expected to last 90 minutes, beginning at 9:00 a.m. on Sunday, October 11th.

Click [here](#) to RSVP -- instructions for how to join the Zoom meeting will be sent to those who have registered a few days in advance of the event.
